PETITION FOR GRANT OF FILING DATE

Office of Assistant Commissioner for Patents
United States Patent and Trademark Office
Washington, D.C. 20231

Sir:

In response to the Notice of Incomplete Application mailed on July 28, 1993, applicant hereby petitions the Assistant Commissioner of Patents to grant a filing date of June 24, 1993 to the above-identified application.

The above-identified application was filed with the Patent and Trademark Office on June 24, 1993. The application was complete as filed. However, on page 23 of the specification in the section entitled "Brief Description of the Drawings," at line 29, applicant incorrectly referred to "Figs. 20A-C" when applicant should have recited --Figs. 20A-B--. A preliminary amendment correcting this error is enclosed. Since a Fig. 20C was never intended to be included in the application, the application is complete in compliance with 35 U.S.C. §111; and applicant requests that the filing date of June 24, 1993 be granted.
